COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

In response to the Reasons for Allowance that accompanied the Notice of Allowability mailed June 10, 2005, Applicants respectfully wish to point out that the limitations identified in the statement appear to combine the features from all four independent claims, i.e., Claims 23-26. Of course, each independent claim has been deemed patentable in its own right.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
